

# Project Development Phase Sprint- 1 Test Cases

Date	01 November 2022
Team ID	PNT2022TMID08197
Project Name	VirtualEye - Life Guard for Swimming Pools to Detect Active Drowning
Maximum Marks	8 Marks

The screenshot shows a web browser window with the URL `C:/Users/Home/Desktop/IBM/code/templates/register.html`. The page has a dark header with the "Virtual Eye" logo and navigation links for "Home", "Login", and "Register". The main content area features a large blue eye icon at the top. Below it are three input fields labeled "Enter Name", "Enter Email ID", and "Enter Password". A dark "Register" button is positioned below the password field. At the bottom of the form, there is a link that says "Already have an account? [Login](#)". The browser's taskbar at the bottom shows various application icons and the system clock indicating 9:57 PM on 01/11/2022.

The screenshot shows the same web browser window, but the URL is `C:/Users/Home/Desktop/IBM/code/templates/login.html`. The header remains the same. The main content area features the same large blue eye icon. Below it are two input fields labeled "Enter registered email ID" and "Enter Password". A dark "Login" button is positioned below the password field. At the bottom of the form, there is a link that says "Already have an account? [Login](#)". The browser's taskbar at the bottom shows various application icons and the system clock indicating 9:57 PM on 01/11/2022.
